Summary: 99 has a double! How will she be unmasked?

99 x 2

1.

Max went into the Chief's office. "Hi, Chief. You wanted to see me?"

"Yes, Max. What I'm about to tell you is of the utmost importance."

"Then perhaps we'll need the Cone of-"

"NO!"

"OK, what is it?"

"I have reason to believe that there is a double impersonating 99."

"WHAT?!"

"I'm afraid so. Since you too came to work, today, how many times have you been separated from her?"

"Well, as soon as we came in, we went to our individual offices."

"For you long?"

"I don't know. . . I guess 30 minutes, or so."

"Did she seem different, when you saw her again?"

"No, not really/"

"Hmm. . . Maybe it's time to call her in, now." He got on his intercom.

"Yes, Chief?"

"99. could you see me a moment, please?"

"Be right there, Chief."

She was there in less than a minute.

"Hi, Chief. Hi, Max."

"Hello, false 99!"

"Huh?"

The Chief spoke. "We have reason to believe that--"

At that moment, the splitting image of 99 came into the office! The two of them were almost exactly alike, and were even dressed similar.

"Chief, I just found out that I have a--"

Then she saw the other 99.

"-Double!"

2.

Both 99's were taken into a special examining room. For identification's sake, they were given caps to wear--a red and a black one. 99#1 was red, 99#2 black.

"In order to determine which of you is the true 99, we will ask each of you a series of questions," said the Chief. "99#2, when did you first become a CONTROL agent?"

"I entered training on September 14, 1961."

"Correct. Max, do you have a question?"

"Yes. 99#1, where did you and I go for our first date?"

"It was the Vineyard, on K Street. You had lamb, I had a steak."

"Right. Chief?"

"This question is for both of you: What is your real name?"

They both said "--CENSERED--" at the same time.

He sighed. "This is tougher than I thought it would be!"

"I've got an idea," said Max.

He went over to each 99 and kissed her on the lips.

"Well?"

"I'm still not sure, Chief!"

He sighed. "We might have to take them to medical for a thorough examination."

"I have another idea, Chief: 99's, take off your shoes and socks!"

"Max!"

"Don't worry, Chief, I know what I'm doing."

They bared their feet and Max looked at them. 99#1's toes were natural, while 99#2's had bright red polish on them.

"AH HAH! I remember you telling me yesterday that you wanted to get a new pedicure-"

"Oh, Max!," said 99#2.

"-HOWEVER, you also told me that you didn't have the time to do it! 99#1, you are the real 99!"

"Oh, Max!" She went over and hugged him.

"Great work, Max," said the Chief. He walked over to the false 99. "Get going!"

"Can I put my shoes back on, first?"

"Yes, go ahead."

She made a motion like she was going to do that. But instead, she quickly pulled out a gun and pointed it at 99!

"Come with me, honey!"

She led 99 out of the room. As they were leaving , Max quickly drew out his gun and shot the false 99 in the back! She dropped her gun and fell. Then he ran over and picked her up.

"You're a good kisser."

"Thank you. But my kisses are reserved only for the REAL 99!"
